If possible, please
#DonateToAdvocate
when you renew your
practising certificate

As the numbers applying to us for legal assistance continues to increase, please remember this chance you have to help people in need get access to justice, and to **#DonateToAdvocate** when you renew your practising certificate.

We understand that some sections of the Bar are struggling, but we encourage those who can afford it to donate because it makes up almost half of our funding. Without it, we simply would not exist. We were created by the Bar, and we are sustained by the Bar.

Your support has real impact. One of our applicants told us:
“I feel like a weight has been lifted from me now as I have been struggling mentally and was on the verge of giving it all up! I am now feeling a lot better in myself and optimistic that I may get some justice.”

Thank you.

So they fought to have the verdict overturned and restore dignity to the family name. Our thanks to Rory Brown from 9 Stone Buildings and Harriet Wakeman from Temple Garden Chambers who were willing to take the case on a pro bono basis.

25 for 25: The Pro Bono Challenge

There is still time between now and June to complete your 25 hours for Advocate's 25th year. All pro bono work, and not just work with Advocate, can count towards your 25 hours. If you have given 25 hours of pro bono work in any capacity since June last year, [please let us know via this form](#) so that we can send you a pro bono logo for your email signature or Chambers website. This enables us to celebrate the Bar's outstanding contribution to access to justice.

With particular thanks to the 72 barristers who have already given at least 25 hours to pro bono work since June last year. We have listed them all on our website, and you can see them [here](#).
